Youth Pastor Job Description

Overall Vision and Goal of this Position

The Youth Pastor is the primary leader of our Middle School and Senior High Youth Ministry. Our desire is to foster a positive environment for spiritual formation in the impressionable and formative years of each participant. We want to create a nurturing faith community of youth that will reach out to other youth and serve Christ in the world. We want students to know that they are loved and cared for by our faith community. We hope each young person will develop a positive understanding of who God is and a deeper appreciation for the love of Jesus Christ through considering his life, teaching, and example. We hope that their participation in youth group will foster a life-long relationship with the Church and a deep understanding of what it means to be a disciple of Jesus Christ.

The Youth Pastor will help teach students the importance of worship, instruction, fellowship and service. We want students to know that they are made in the image of our Creator, and as such, are children of God and are valuable.
